

COLEMAN

Terex Pegson Maxtrak 1000SR

£POA

A very rare and sought after machine in immaculate condition.

Combined crushing and screening in one plant.

Proven and unique Automax technology.

Able to accept "all in feed" in most cases.

Able to recirculate oversize material.

Excellent product shape on most applications. High reductions. Capable of producing three products from the one plant. Optional stock pillar.

Heavy duty chassis and track frame.

Dust suppression sprays fitted as standard.
